

Prep Sensory Science

TEACHER REFERENCE GUIDE

1. You made snow out of two **materials**. Draw a picture of what these two materials looked like **before** you **mixed** them together!

<i>Snow powder</i>	<i>Water</i>
	

2. Colour the words that **describe** what your snow felt like.

<i>Cold</i>	<i>Dry</i>	<i>Soft</i>
<i>Hard</i>	<i>Fluffy</i>	<i>Hot</i>
<i>Wet</i>	<i>Sharp</i>	<i>Squishy</i>

3. Draw a picture of your favourite part of the science activities.

Students may like to draw:

- The presenter with a nappy.
- Snow in a tray.
- The cloud in a bottle.
- Any other favourite part.
